**Materials:** Fully recyclable, UV stabilised, chemical resistant PE.

**Description:** PE work floors for drums.  
 Can be used for static spill containment and as liquid dispensing area.  
 Units can be joined together to provide larger work floors.  
 Ramps can be connected to create a user friendly gradient for easy loading.  
 Slip resistant texture on ramp and platforms.  
 Strong, removable PE platform.

**Compatibility:** Resistant to chemicals.

**Safety Data:** Further technical advice is available if required.

**Note:** All weights, dimensions, and other figures quoted are approximate.
