The Ultra-Roof Drip Diverter catches roof leaks with its large, vinyl-coated fabric and diverts them away from office equipment, inventory and personnel to the proper drainage point with a custom-fit hose. Their lightweight material and easy set up make them an ideal candidate for any office leak emergency, and having a few in the cupboard will always come in handy.

Benefits

- Hangs from a leaking pipe to catch nuisance leaks and channel them to a floor drain or collection container
- Nonpermeable tarp is vinyl-coated for strength and durability; resists punctures, UV and mildew for long life
- Built-in grommets and included rubber straps make it easy to hang from an overhead pipe
- Manufactured in yellow for high visibility
- Flow rate of 12.6-litres per minute when used with a 1/2" ID hose.
